Greetings!

Welcome to QuikTrip Park, the proud home of the 2011 American Association Champion Grand Prairie AirHogs! Great things are happening at and around our ballpark and we are very excited to start our second year as an Entertainment District partner with the City of Grand Prairie, Lone Star Park and Verizon Theatre. We are committed to providing fun, affordable family entertainment at the ballpark and we take our responsibility to serve the communities around us very seriously.

Our goal is to make QuikTrip Park the "Baseball Mecca" of the Metroplex and this off-season we invested more time and money in our facilities and in the community promoting concerts, high school and college games, youth games and many more events at the ballpark, in an effort to make our stadium a vibrant and active place all year long. We are thrilled with all the improvements we have been able to make at QuikTrip Park since we acquired the facility last year and we thank all of our sponsors and friends with the City of Grand Prairie for all of their help and support. We expect the 2012 AirHogs to continue their strong play on the field and we're doing all we can to bring the city back-to-back championships!

Please come to the park as often as you can this year and visit our website at www.airhogsbaseball.com to keep up with the latest happenings with the team and the ballpark.

None of this is possible without the support of you, the fans of the Grand Prairie AirHogs. We thank you for your support and for spending your time and hard earned money with the Grand Prairie AirHogs. We recognize that you have numerous entertainment choices within the Metroplex and we thank you for choosing the AirHogs tonight. We hope you'll find that the AirHogs are committed to providing a quality product and delivering a great experience to you and your family. Enjoy the 2012 season and let's bring another title to QuikTrip Park!

Greetings AirHogs Fans...

On behalf of our ownership and entire staff, I want to welcome you back to QuikTrip Park for another exciting year of AirHogs baseball! When our owners took over the club before last season, we understood the high level of expectations and promised you a commitment to excellence – both on the field and off it – and I believe we have done exactly that.

The 2011 Grand Prairie AirHogs won a franchise-best 64 games during the regular season, finishing with the best record in the American Association. They then took out the Wichita Wingnuts 3-1 in the Division Series before coming back from a 2-0 deficit, returning to the great fans at QuikTrip Park, to top the St. Paul Saints 3-2 in the Championship Series to win the AirHogs' first league title in their fourth year of competition.

Meanwhile, we continued to work on making your experience at QuikTrip Park second-to-none. In addition to adding major concerts, high school games, corporate parties and other events to the ballpark's calendar throughout the year, we have revamped our concessions menu, improved signage and worked to make the gameday presentation even better.

So it is with great enthusiasm that we move to the 2012 season. The American Association has added a new team in Laredo and has instituted interleague play with the Can-Am League, giving the AirHogs and you, their great fans, a chance to see several new teams this season.

Our goal with the AirHogs is to be a positive force in the community for families and children. We want to entertain you in a wholesome, relaxing atmosphere and continue to build on a tradition of excellence that the entire Metroplex can be proud of year after year. I encourage you to let us know how we're doing. Give us a call or send us an email-tell us your thoughts on how we can make AirHogs baseball even better.

Thank you for coming out to QuikTrip Park tonight. We truly appreciate your support and your hard-earned entertainment dollars. We hope you make plans to come back and see us throughout the summer as we take aim at back-to-back American Association titles!

Sincerely,

Craig Brasfield

Baseball Season, 2012

Dear American Association Fans:

Welcome to the 2012 edition of the American Association. We are excited to be bringing you another year of great baseball entertainment. The American Association is one of the most famous names in professional baseball, and we believe we have one of the strongest independent leagues with great cities, beautiful ballparks, and outstanding baseball talent. This year we have a new city with the admission of the Laredo (TX) Lemurs. Laredo is a booming market on the Mexican-US border, and the City of Laredo has built a new 5,000 seat, state-of-the-art ballpark to bring American Association baseball to South Texas. It is a great addition to the league, and we expect the Lemurs to be among the leaders in attendance and enthusiasm.

Another new development for this year's league is the unique aspect of interleague play with the Canadian-American League. The Can-Am League is based on the East Coast, and will be playing games against American Association teams. Every AA city will see at least one series against Can-Am teams, and five of our league squads will travel east for a ten-game series against Can-Am teams. It should provide interesting competition for both players and fans.

Last year 30 of our players were sold to Major League organizations. This is the most talent we have ever moved to big league organizations. Our players are what make the league strong, and the major leagues recognize the strong level of play in the AA.

Again, we welcome you to our ballparks, and we hope to see you many times this season. We are proud that you have made us part of your sports experience.

Sincerely,

Miles Wolff
Commissioner

Let us swear allegiance to a land that's free,
Let us all be grateful for a land so fair,
As we raise our voices in a solemn prayer.

God Bless America,
Land that I love.

To the oceans, white with foam
God bless America, My home sweet home.

The Star Spangled Banner

By Francis Scott Key, 1814

Oh, say, can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watch'd, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
O say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

On the shore dimly seen thro' the mists of the deep,
Where the foe's haughty host in dread silence reposes,
What is that which the breeze, o'er the towering steep,
As it fitfully blows, half conceals, half discloses?
Now it catches the gleam of the morning's first beam,
In full glory reflected, now shines on the stream:
'Tis the star-spangled banner: O, long may it wave
O'er the land of the free and the home of the brave!

And where is that band who so vauntingly swore
That the havoc of war and the battle's confusion
A home and a country should leave us no more?
Their blood has wash'd out their foul footsteps' pollution.
No refuge could save the hireling and slave
From the terror of flight or the gloom of the grave:
And the star-spangled banner in triumph doth wave
O'er the land of the free and the home of the brave.

O, thus be it ever when freemen shall stand,
Between their lov'd homes and the war's desolation;
Blest with vict'ry and peace, may the heav'n-rescued land
Praise the Pow'r that hath made and preserv'd us a nation!
Then conquer we must, when our cause is just,
And this be our motto: "In God is our trust"
And the star-spangled banner in triumph shall wave
O'er the land of the free and the home of the brave!

2011 YEAR IN REVIEW

The Grand Prairie AirHogs' fourth year of existence was their best yet. With new, local ownership taking over just before the season, the AirHogs did not have a great deal of time to prepare for the season.

The AirHogs lost their first two games to the Gary SouthShore RailCats, but won the next two to split the series, and then got hot, not losing a series until June when they were already entrenched in first place. The club cruised to its best record in franchise history, going 64-36 to take the American Association South Division crown by 16 games with the league's best record to boot.

Behind the stellar starting rotation of former National League Rookie of the Year and ex-Texas Ranger Jason Jennings, Josh Rainwater, John Brownell, the bullpen of Reliever of the Year Jon Hunton, Jon Fulton, Matt Sartor and Bo Schultz, and a powerful offense led by Greg Porter, Cesar Nicolas, David Espinosa, John Alonso and German Duran (another former Ranger), the AirHogs had the second best ERA in the league at 4.13 while hitting .297 overall as a team.

After dispatching the Wichita Wingnuts three games to one in the Division Series, on the strength of two dramatic comeback wins at home and a nail-biting 2-1 triumph behind Brownell and Hunton in Wichita, the AirHogs headed to St. Paul, Minn., to start the Championship Series against the Saints.

The AirHogs lost both games at Midway Stadium to put themselves in a hole, but coming back to QuikTrip Park Grand Prairie slipped by in Game 3 in extra innings, before routing the Saints in the final two games to claim the league title for the first time in team history.

After a year of such great heights, 2012 may prove to be an even better one for the AirHogs.

While the roster may look different, there will still be some familiar faces and the club should once again contend for the championship. The popular Thirsty Thursday and Fireworks Saturday night promotions will return as well, along with an expansion of the "Jerseys/Shirts off our Backs" promotion that was a hit with the fans at QuikTrip Park in 2011.

A new league structure and interleague play with the Can-Am League will also see some new opponents during the 2012 season, with the AirHogs welcoming in the brand new Laredo Lemurs (managed by former AirHogs skipper Pete Incaviglia), along with the first visits of the Kansas City T-Bones and Fargo-Moorhead RedHawks as well as the Can-Am League's Newark Bears, and the first trip in several years for the Sioux Falls Pheasants.

Aside from opening the season in the new stadium in Laredo, the AirHogs will also visit Fargo for the first time and head east for a 10-game road trip to Little Falls, N.J., Pomona, N.Y. and Worcester, Mass.

Away from professional minor league baseball, the AirHogs staff is continuing to make QuikTrip Park a year-round venue for affordable family fun.

Already since the last pitch was thrown in the 2011 playoffs, the AirHogs and QuikTrip Park have hosted the annual "Taste of Grand Prairie" event, concerts by the Little River Band and Cory Morrow, boxing, the 26th annual "Big Texas Toy Run" and two music festivals, "South by So What?!" and "Dayglow."

2011 YEAR IN REVIEW

More concerts and festivals boxing and the Toy Run, being made to have even

have been booked for 2012, with the return of the Taste of Grand Prairie, along with high school and youth baseball tournaments, and plans are more action at QuikTrip Park in the future.

The AirHogs are also and schools throughout AirHogs' official charity, raffle, and a daily

fully committed to the community, making appearances at many events the area. The David Nicklas Organ Donor Awareness Foundation, the will also be the beneficiary of the annual golf outing, a championship ring 50/50 raffle that will help the Foundation.

The AirHogs' mascot, Ace Bacon, is also making himself more known throughout the area with an improved presence in the social media world. Visit him or the AirHogs on Facebook or Twitter, and watch the accounts for special give-aways and prizes.

The team has also unveiled a new Web site at www.airhogsbaseball.com and a revamped www.quiktrippark.com for more information about the stadium. With all of this happening at QuikTrip Park, the fifth season of AirHogs baseball in Grand Prairie should be one that fans will never forget.
