

O'Kelly's COUNTDOWN TO TIPOFF PRE-GAME SHOW (15 Minutes in Length)

Pre-Recorded Intro (0:30)

We welcome you from McGuirk Arena on the Campus of Central Michigan University as the Central Michigan Chippewas take on the Hawks of Saint Joseph's University. I'm David Laughlin here to get you set for tonight's matchup. Central Michigan comes in to this game with a 6-3 record on the season following a loss Tuesday night at Purdue. Tinar Moore and Presley Hudson lead the way for the Chippewas in scoring with each scoring 12 points. Jewel Cotton wasn't far behind with 11 points for CMU. Cotton leads CMU in scoring averaging 14.4 points per game, along with 6 rebounds per game. Cassie Breen is second in scoring averaging 14.3 per game. Rebounding will be a big key for the Chippewas tonight, which means they need a big game from sophomore forward Reyna Frost. Frost comes into today averaging 11 rebounds per game, already reaching 100 total rebounds on the year. Head coach Sue Guevara stated she was not pleased with her teams rebounding effort against Purdue, so look for CMU to be very aggressive on the glass here tonight. On the other side St Josephs come into today with a 2-5 record so far on the year, having victories over Penn and New Mexico. Head Coach Cindy Griffin leads the Hawks into McGuirk Arena looking to get their season back on track. The Hawks are lead offensively by Chelsea Woods and Adashia Franklyn, who are scoring 14 points per game and 12 points per game respectively. Woods also leads the team in rebounds averaging 7 boards per game. Central Michigan will look to get an edge in the rebounding battle if they want to win this game and get back on track. St Joseph's will need to put up points and be smooth offensively if they want to hang around. Were getting close to tip off here from McGuirk Arena!

We are going to take a break but on the other side we will take a look around the MAC and top 25 in women's basketball today, along with taking a look at the CMU men's side and their schedule so keep it here!
