To whom it may concern,

My name is David Poggi and I am the Head Men's Soccer Coach at Northern Michigan University. I have worked with Derek Miceli for the past three years on the Coaches Show. Having coached for several years in various different markets I can honestly say that my experience as a guest on your program has always been professional.

Derek is always prepared with engaging questions yet always personable in his delivery. The reason for this is I believe that he actually has a passion for what he does and shows his guest that he really cares about what they do! His conversational ability is very good which makes it very easy for the guest to tell his/her story.

I hope you find this information valuable. Derek represents your organization very well and if you have any specific questions regarding work please feel free to contact me directly.

Sincerely,

David Poggi
