To whom it may concern,

I write on behalf of Derek Miceli in support of his proposal to continue his role with the coaches' show with Northern Michigan University. His coaches' show greatly benefits Northern Michigan University's athletics and the community as a whole. Mr. Miceli asks stimulating questions that helps community members and fans get an inside look into NMU Athletics. Mr. Miceli is a detailed, task-oriented individual who is professional in all aspects of the job. One my favorite parts of the job is visiting local establishments to have my weekly conversations with Derek and the other community members.

To conclude, I hope you seriously consider supporting Derek and the future of the coaches' show. I am eager to get back to in-person interview. If you have any follow up questions or concerns please feel free to reach out to me directly.
