

HI, I'M ADRIAN GRENIER, CO-FOUNDER OF LONELY WHALE, WHICH ADVOCATES TO POSITIVELY IMPACT THE HEALTH OF OUR OCEANS.

(HOLDS UP STRAW)

YOU'RE PROBABLY WONDERING WHERE ALL OF THESE ARE.

AS PART OF [VENUE NAME'S] SUSTAINABILITY MISSION, WE'VE ELIMINATED SINGLE-USE PLASTIC STRAWS AT ALL EVENTS.

LAST YEAR ALONE, [VENUE NAME] USED MILLIONS OF PLASTIC STRAWS THAT LIKELY ENDED UP IN LANDFILLS AND THE OCEAN.

[VENUE NAME] IS PROUD TO PIONEER THIS ECO-FRIENDLY MOVEMENT.

OF COURSE, WE'LL STILL PROVIDE PLASTIC STRAWS UPON REQUEST TO MEET THE NEEDS OF OUR GUESTS WITH DISABILITIES.

THROUGH OUR ACTIONS, WE HOPE TO RAISE AWARENESS ABOUT EXCESSIVE PLASTIC USE AND SET AN EXAMPLE FOR OUR FANS AND PEERS ABOUT LIVING ECO-CONSCIOUSLY.
