The 10 x 1-5/8" version features a drill point with wings. For use with 3/4" to 1" thick decking attached to steel or aluminum up to 12 gauge or two 14 gauge joists doubled up. Accessory Packs are designed for use with hidden fastener systems (starter boards, end boards and steps).

Deck Packs contain 350 screws for 100 square feet of decking.

Pro Packs contain 1,750 screws for 500 square feet (45 square meters) of decking.

Mega Packs contain 3,500 screws for 1,000 square feet of decking.

Starting in 2018 a newer version of the 10 x 1-5/8" model will be available without wings in select colors. The current model, with wings, will continue to be available while supplies last.
