FLEMING YACHTS
THE ULTIMATE CRUISING YACHT

If you like adventurous cruising, it's best to go well-equipped

At Fleming Yachts we believe we continue to set new standards of equipment levels by building motor yachts, from 55' to 78' with significant pre-installed systems & equipment that would be optional extras elsewhere. It's not just the sheer length of the list, but the quality of the items on it that really impresses. View for yourself this long and impressive list here:
