MAGICAL CHINESE LANTERN FESTIVAL

FAIRPLEX POMONA
NOV 21 – JAN, 2020

The Magical Chinese Lantern Festival to Fairplex starting Nov. 21 with a new theme for 2019-2020: Blooming Seasons. This year's festival offers lantern displays as large as 30-feet high and 85-feet wide, highlighted by a 100-yard-long breathtaking Ceramic Chinese Dragon. Guests will enjoy lanterns depicting the four seasons of nature and animals in their native environments, with illuminated attractions ranging insects, birds, and reptiles to exotic trees and plants.

MOONLIGHT FOREST

LA COUNTY ARBORETUM & BOTANICAL GARDEN
NOV 9 – JAN, 2020

This nighttime event, held across the grounds of the Arcadia botanical garden, returns for its 2nd year with two additional themes: "polar dreams" and "ocean visions." Last year's debut included a slew of Chinese lanterns—but not the small, hanging type—that covered a field at the Arboretum with parade-float-sized structures, with other themed archways and playful creatures lining the pathways around the grounds. The lanterns, crafted by artisans from China's Sichuan province, are arranged by their themes; this year's pair of new themes should bring penguins, sled dogs, fish and sharks into the fray.
