

CBCF Application Portal Examples

Please visit <https://cbcfinc.academicworks.com> and sign in to your application portal to view the status of your application(s) and manage your references.

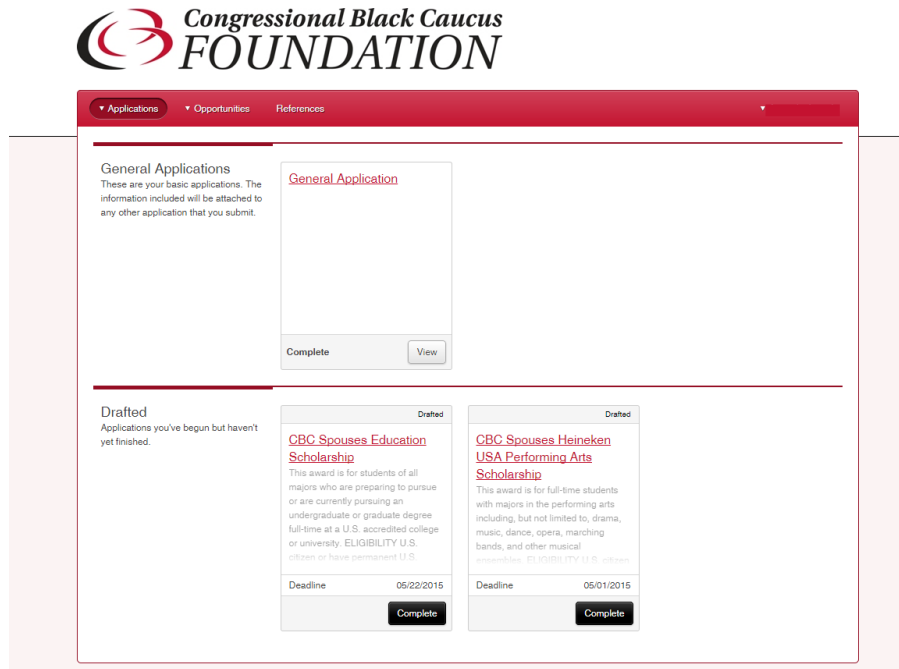

1. Your **Application** page will look like this if you have not completed the **General Application**.

2. Your **Applications** page will look like this once your **General Application** is complete and submitted. Click **Opportunities** to finish applying to a specific program by answering additional questions.

- Once you begin the additional questions specific to your program of interest, your **Applications** page will look like this. You will see the status of your “program” applications. If it shows a “**Complete**” button, this means that application has not been submitted.

- Click **References** to check the status of your reference letters and resend the link to them, if needed.
