Dear Art Instructor / Scholarship Chairperson

The Pastel Society of the West Coast is pleased to announce a \$1,000.00 Art Scholarship to be awarded to a graduating high school senior, junior college student and up to a junior in a four year college or accredited art school. We are interested in those students who are interested in the further study of art.

The Pastel Society of the West Coast has been in existence since 1985 and has over 400 members both nationally and internationally. We sponsor two juried exhibitions annually and our reputation for excellence is known throughout the country.

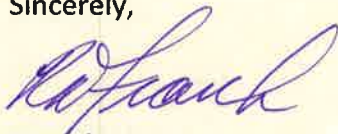

One of our goals is to encourage young artists and with this in mind we offer a \$1,000.00 scholarship annually.

Please forward the attached application to any interested students so that they may prepare to submit the form with the required information of their work by the deadline which is March 31, 2019. This early date means that we can get the information back to the winner before the end of the school term with perhaps a presentation at graduation, if applicable.

Application forms may be copied, if necessary, visit our website at www.pswc.ws under the Scholarship tab. Any further questions can be directed to our Scholarship Chairperson:
