For
Students
in the
School of Nursing
College of Natural & Health Sciences
University of Northern Colorado

The Gift of Gardens: Nursing Scholarship is supported by proceeds from the Greeley Garden Tour, which celebrated its 17th anniversary in 2010. The annual event, held at the end of June, features lovely and unique gardens in Greeley and the surrounding areas.

Generous donations from emeritus faculty, School of Nursing faculty and other supporters of the “Gift of Gardens: Nursing Scholarship” also enhance the ability to provide scholarships for UNC’s nursing students.

The Gift of Gardens: Nursing Scholarship is awarded to students in the School of Nursing.

The University of Northern Colorado Foundation is pleased to recognize the generosity of the Greeley Garden Tour, emeritus faculty, School of Nursing faculty and others, represented by Dr. Judy Richter and Dr. Jan Martin, who provided the gifts to create this permanent fund to perpetuate excellence in the College of Natural and Health Sciences.
