

Help us count and assist our neighbors who are without homes.

The **Cornerstone of Beaver County** is conducting a brief survey from
January 21st to January
26th to determine how we can best help any people who are
without homes in Beaver County.

Do you know someone who slept outside, in a tent, a vehicle, or in a
building with no utilities on the night of January 20th to the
morning of January 21st?

**Please have the person call 724. 714.4108 during business hours or
724.494.0726 after business hours to complete the survey and
to access shelter and long-term housing options.**

(These numbers can also be used to access assistance outside of the
survey dates).

Any questions about the Point In Time survey can be directed
