

## About Enable India

Enable India is a non-profit organization working for economic independence and dignity of persons with disability since 1999. Enable India is considered a pioneer in employability and employment of persons with disability.

**Our vision is a world with persons with disability as active citizens and nation builders.**

**Our mission is to build a sustainable Livelihood Ecosystem for millions of PwDs to attain a dignified life while having a positive impact on the economy and society.**

We believe that the nation and the world will benefit from seeing persons with disability as change agents and serve as a constant reminder for the need for inclusion of everybody, where people reach their full potential by finding solutions and learn to value each other through constant inclusion. This will enforce the perception that Persons with disability are independent and contributing members of society.

Enable India has catered to the needs of 14 disabilities thus far. These disabilities are

1. Low Vision
2. Blindness
3. Hard of Hearing
