

SMALL BUSINESS PROGRAM

DELTA CARE[®] USA

DeltaCare USA is a pre-paid dental plan that provides you and your family with quality dental benefits at an affordable cost. The DeltaCare USA program is designed to encourage you and your family to visit the dentist regularly to maintain your dental health.

Plan Designs

There are three DeltaCare USA plans available through the Small Business Program: Plan 13A, Plan 15A, and Plan M73*.

The following benefits are included in the DeltaCare USA plan:

- No claim forms
- No deductibles
- Professional treatment standards
- No restrictions on most pre-existing conditions
- No dollar limit on dental benefits (no annual maximums)
- Access to specialty care
- Orthodontic benefits available to covered dependents and adults.
- No or low patient copayments on all covered services, so patients know their exact cost prior to treatment

Every DeltaCare USA enrollee receives a list of participating DeltaCare USA dentists. From this list, enrollees select a convenient dental office to provide care for themselves and their families. The low turnover rate among DeltaCare USA dentists means enrollees can enjoy a long-term relationship with their family dentist. You must select a primary care dentist only from the list of DeltaCare USA participating dentists practicing in the state where your employer is headquartered. General services performed by a provider other than your selected primary care dentist are not covered.

Following is a summary comparison of the three DeltaCare USA plans. For a more detailed listing, please see the Description of Benefits and Copayments.

Rates require a minimum enrollment of five primary enrollees. Rates are based on employer contribution of 25%-100% of the employee cost and 0%-100% of the dependent cost. Employer must provide payroll deduction.

Benefit Limitations:

Dependents are covered to age 26.

*Rates are valid for new and renewing clients with 5-99 eligible employees, enrolling from January 1, 2013 through December 1, 2013. Rates are guaranteed 12 months from the effective date. Monthly rates are based on the location of the group's headquarters.

The following statement applies to any group with 25 or more employees in New Jersey, regardless of the state in which the group is headquartered: Any such group that purchases a dental HMO option for its employees is required to purchase alternative coverage that enables covered employees to obtain dental services from any licensed dentist (e.g., a PPO plan).

For further details, please refer to the accompanying Verification of Compliance form.

Ineligible Prospects:

Law firms, associations, businesses without a true employer/employee relationship, and businesses with seasonal employment**.

Under the DeltaCare USA Program, enrollees select a DeltaCare USA dentist for themselves and their eligible dependents from the list of participating dentists. This primary care dentist must be selected from the appropriate DeltaCare USA participating dental office listings for the District of Columbia, Maryland, New York, Pennsylvania or West Virginia. You must select a primary care dentist only from the list of DeltaCare USA participating dentists in the state where your employer is headquartered. General services performed by a dentist other than your selected primary care dentist are not covered.

**A business where the number of employees hired during the last year exceeds 20% of the average number of employees over the same year is considered to have seasonal employment or high turnover, unless growth in the business overall can be proven.
