Why use EY TaxChat™ for your 2022 taxes?

Key items to be aware of that may have impacted your 2022 tax returns if you:

- ▶ Have student loan debt cancellation
- ▶ Have a clean vehicle or plan to take the residential clean energy credit
- ▶ Took a retirement plan distribution in 2020 related to COVID - if you elected to be taxed over 3 years, this will be the final year
- ▶ Have a new state filing requirement
- ▶ Were impacted by a federally declared natural disaster in 2022
- ▶ Are affected by the other proposed new tax law changes

Additional complexities may arise if you have a corrected W-2 or receive inaccurate 1099s for unemployment

EY TaxChat makes filing your taxes simple, fast and reliable. With our 100 years of experience, you can file with minimum effort and maximum confidence.
