HOW THE HEALTH SAVINGS ACCOUNT (HSA) WORKS

If you enroll in a PPO Plus HSA plan, you are eligible to open a Health Savings Account (HSA), administered by **Fidelity Investments**. An HSA can help you pay for eligible health care expenses such as medical, dental, vision care, and prescription drugs.

2024 Vantiva Contribution to Your HSA FREE MONEY!		Coverage Type	2024 Annual HSA Contribution IRS Limits
Individual	\$800	Individual	\$4,150
Family	\$1,600	Family	\$8,300
<i>The \$\$\$ is yours. You never lose it.</i>		Age 55+ Catch-up	Additional \$1,000

WHAT'S IN IT FOR YOU?

- Vantiva contributes **\$\$\$** to your HSA! It's **FREE MONEY**.
- You can set aside pre-tax money from your paycheck to help pay for additional out-of-pocket health care expenses. HSAs give you triple tax advantages:
 - *Your contributions to the HSA are not taxed**
 - *Payments of qualified expenses are tax-free**
 - *Earnings are tax-free**
- The HSA is an individual account you own! The entire balance is yours to keep.
- If you leave the company, the account goes with you.
- You can make/change your HSA contributions at any time. Unused funds always roll over to next plan year.
- You must have coverage under a HSA qualified High Deductible Health Plan (HDHP)
- Have no other first-dollar medical coverage (other types of insurance, such as specific accident, disability, dental care, vision care, or long-term disability are permitted)
- Are not enrolled in Medicare, coverage under your spouse, Tri-care, etc.
- Cannot be claimed as a dependent on someone else's tax return

4 STEPS TO MAXIMIZE YOUR HSA

- 1** You must first **OPEN** your Health Savings Account with Fidelity at netbenefits.fidelity.com
- 2** Once the account is open, you can **CONTRIBUTE pre-tax dollars** from your paycheck up to the annual IRS maximums.
- 3** You will receive a Fidelity **DEBIT CARD to pay** for eligible health care expenses.
- 4** Vantiva will deposit **FREE MONEY** to your account. Company contributions are pro-rated based on your effective date.

HOW THE **FLEXIBLE SPENDING ACCOUNT (FSA) WORKS**

Feeling under the weather? Telemedicine services put you in control of when and where you access medical and mental health care services without going to a doctor's office. Virtual visits give you direct access to a licensed medical professional 24/7/365 who can treat common conditions, such as:

LIMITED PURPOSE FSA

2024 IRS MAXIMUM \$3,200/YEAR

The Limited Purpose FSA lets you set aside pre-tax dollars to pay for eligible dental and vision expenses.

Note: Only available if you are enrolled in the PPO Plus HSA.

DEPENDENT CARE FSA

2024 IRS MAXIMUM \$5,000/YEAR

The Dependent Care FSA will reimburse you for eligible daycare expenses for children age 12 and under, or elder dependents who are unable to care for themselves. Care can be provided through live-in care, babysitters, or licensed daycare centers.

Note: All employees are eligible to participate in the Dependent Care FSA regardless of medical plan.

HEALTH CARE FSA

2024 IRS MAXIMUM \$3,200/YEAR

The Health Care FSA lets you use pre-tax dollars to pay for eligible health care expenses that you, your spouse, and your children incur during the plan year. When you incur an eligible expense, you can use your FSA debit card and/or submit documentation for reimbursement.

Note: If you are enrolled in the PPO Plus HSA, you are NOT eligible to participate in the Health Care FSA.

RULES TO **KEEP IN MIND**

All expenses for the Limited Purpose, Dependent Care, and Health Care FSAs must be incurred during the plan year: **January 1 through December 31**. To review the list of eligible expenses, go to naviabenefits.com/participants/resources/expenses.

The IRS has a strict **"Use-It or Lose-It"** rule for FSAs. At the end of the calendar year, you may roll over up to \$640 of unused Limited Purpose FSA and Health Care FSA funds. Any remaining funds above those amounts for Limited Purpose and Health Care FSAs will be forfeited. All unused Dependent Care FSA funds will be forfeited.

Once you enroll in the FSA, you can only change your contribution amount during the plan year if you experience a qualifying life event. Each account functions separately. You cannot transfer funds from one FSA to another.
