

Income Tax Preparation Fee Schedule

Effective January 1, to December 31, 2018

The following are the fees charged for our tax preparation services. This is a base fee schedule which can be increased. Variance from the fee schedule is an adjustment based on the complexity of a particular return. Lack of client organization/preparedness when presenting your tax return documents will result in an additional bookkeeping fee at our hourly rate of \$125.

Our minimum 1040 Tax Return preparation fee for a well-organized client is \$400.

Tax preparation fees include reasonable email and telephone contact throughout the year.

Additional fees will be charged for in-office consultations, extended email and telephone contact, tax agency correspondence, and audit representation at hourly rates.

Copies of your tax returns are provided at the time of preparation. One electronic copy is available upon request at no charge. Additional printed copies are available for a fee of \$35 per return.
