Shelton, Connecticut, February 18, 2022 – Wright Investors’ Service, Inc. announced today that the Wright Mid Cap Core Equity has been awarded a PSN Manager of the Decade status by Informa Financial Intelligence’s PSN manager database, North America’s longest running database of investment managers, for the period ending December 31, 2021.

“The strength of our disciplined investment process is evidenced by the continued recognition of our Mid Cap Core Strategy” – Amit S. Khandwala, Chairman, Chief Executive Officer & Chief Investment Officer.

Through a combination of Informa Financial Intelligence’s proprietary performance screens, *PSN Top Guns (*free registration to view Top Guns) ranks products in six proprietary categories in over 50 universes. This is a well-respected quarterly ranking and is widely used by institutional asset managers and investors. Informa Financial Intelligence is part of Informa plc, a leading provider of critical decision-making solutions and custom services to financial institutions.

Top Gun firms are awarded a rating ranging from one to six stars, with the number of stars representing continued performance over time.

Wright Mid Cap Core Equity strategy was named Manager of the Decade in the Small-Mid Cap Core Universe.

**Manager of the Decade category:** The product had an r-squared of 0.80 or greater relative to the style benchmark for the latest 10-year period. Moreover, the strategy’s returns were greater than the style benchmark for the latest 10-year period and also standard deviation less than the style benchmark for the latest ten-year period. At this point, the top ten performers for the latest 10-year period become the PSN Top Guns Manager of the Decade.

Wright’s Wright Mid Cap Core Equity strategy aims to outperform the performance of the S&P MidCap 400® Index on a risk-adjusted basis by investing in high quality companies with a focus on valuations and investment timing.

“Congratulations to Wright Investors’ Service, Inc. for being recognized as a PSN Top Gun,” said Ryan Nauman, Market Strategist at Informa Financial Intelligence’s Zephyr. “This highly esteemed designation
allows us to recognize success, excellence and performance of leading investment managers each quarter.”

Information about PSN

In 1984, Informa Investment Solutions, Inc. introduced the first commercially available investment manager search and evaluation database—Plan Sponsor Network, or PSN. PSN offers financial professionals high-quality, in-depth data on U.S., non-U.S. and global investment managers. There are over 2,000 investment managers participating in the PSN database, which covers more than 20,000 domestic and international investment products.

Investment consultants, plan sponsors and brokerage firms use PSN to perform manager searches and ongoing evaluation. Money managers use PSN for competitive analysis and positioning. Participation in the PSN database is the mandatory starting point for many client manager search processes.

The performance results have been presented on a Gross and Net basis. Periods over 1 year are annualized. Performance results presented on a Gross basis do not reflect the payment of investment advisory fees and other expenses that may be incurred by an investment account. Performance results presented on a Net basis are net of advisory fees paid to Wright. However, actual net returns would be reduced by fees and other expenses that may be incurred by an investment account, including the fees that a Bank trust department and/or custodian may charge an account. The data has not been audited or otherwise verified by any outside party and should not be construed as representative of the returns that may be experienced by investors.

(*) Style Benchmark - Investors cannot directly invest in an index (benchmark) and unmanaged index returns do not reflect any fees, expenses or sales charges. While Wright believes that the S&P MidCap 400 Index is relevant to evaluating Wright Mid Cap Core Equity, it is for illustration and discussion purposes only and should not be relied upon.
