

## Financial Confidence at Work

A little financial confidence can mean a lot. That's why we're offering a unique type of employee benefit to interested businesses – In Good Company financial education workshops

Led by our financial professionals and available over Zoom or in person, this offering uses hands-on activities, group discussions and clear guidance to connect employees with the financial know-how to navigate a changing world.

### Personal Insights

During workshops, we empower guests to explore their personal values, the goals they hope to accomplish and how their financial approach can help them get there.

### Engaging Experience

Whether held online or on-site at your workplace, each In Good Company workshop uses interactive activities and open conversations to bring teams together to improve their financial wellness.

### Approachable Guidance

Our experienced financial professionals offer complimentary one-on-ones after workshops to help employees take the next step.

### Discover More

Reach out to explore how these innovative workshops could help you build a more confident team.
