1 Hour to Savvy Cybersecurity: 10 Threats Every Person and Business Faces—and How to Fight Them Now

Presented By: George F. Vieth

Date 10/2/2024 11:30am to 12:45pm Lunch will be served

Location: Mountain City Club 216 West 8th Street Chattanooga, TN 37402

Data breaches, computer hacks, phishing, and more. Identity theft is one of the fastest growing crimes. Learn the top ten tactics used by fraudsters and the ways you can protect yourself, your family, your clients, and your business today.

This one-hour workshop will acquaint CPAs, attorneys, and other professionals with cybersecurity principles designed to stop the most common cybersecurity threats. CPAs may earn up to one hour of CPE credit for attending this educational presentation.

After completing this course, you will know:

- The top 10 identity theft threats you face and the actions you must take to stay safe
- Three mindsets that will boost your cybersecurity
- How an email address can protect your financial accounts
- The four ways to protect your wireless network from hackers
- How to beat the password paradox
- One action that will keep hackers out of your finances and your life
