

TOP 100 COMPANIES

U.S. VS THE WORLD

Every year, PwC releases a list of the 100 biggest companies in the world by market capitalization. The range between the smallest and largest companies in this year's list (May 2021) was a massive \$1.9 trillion.

But when it comes to location, that value is concentrated in just a handful of countries.

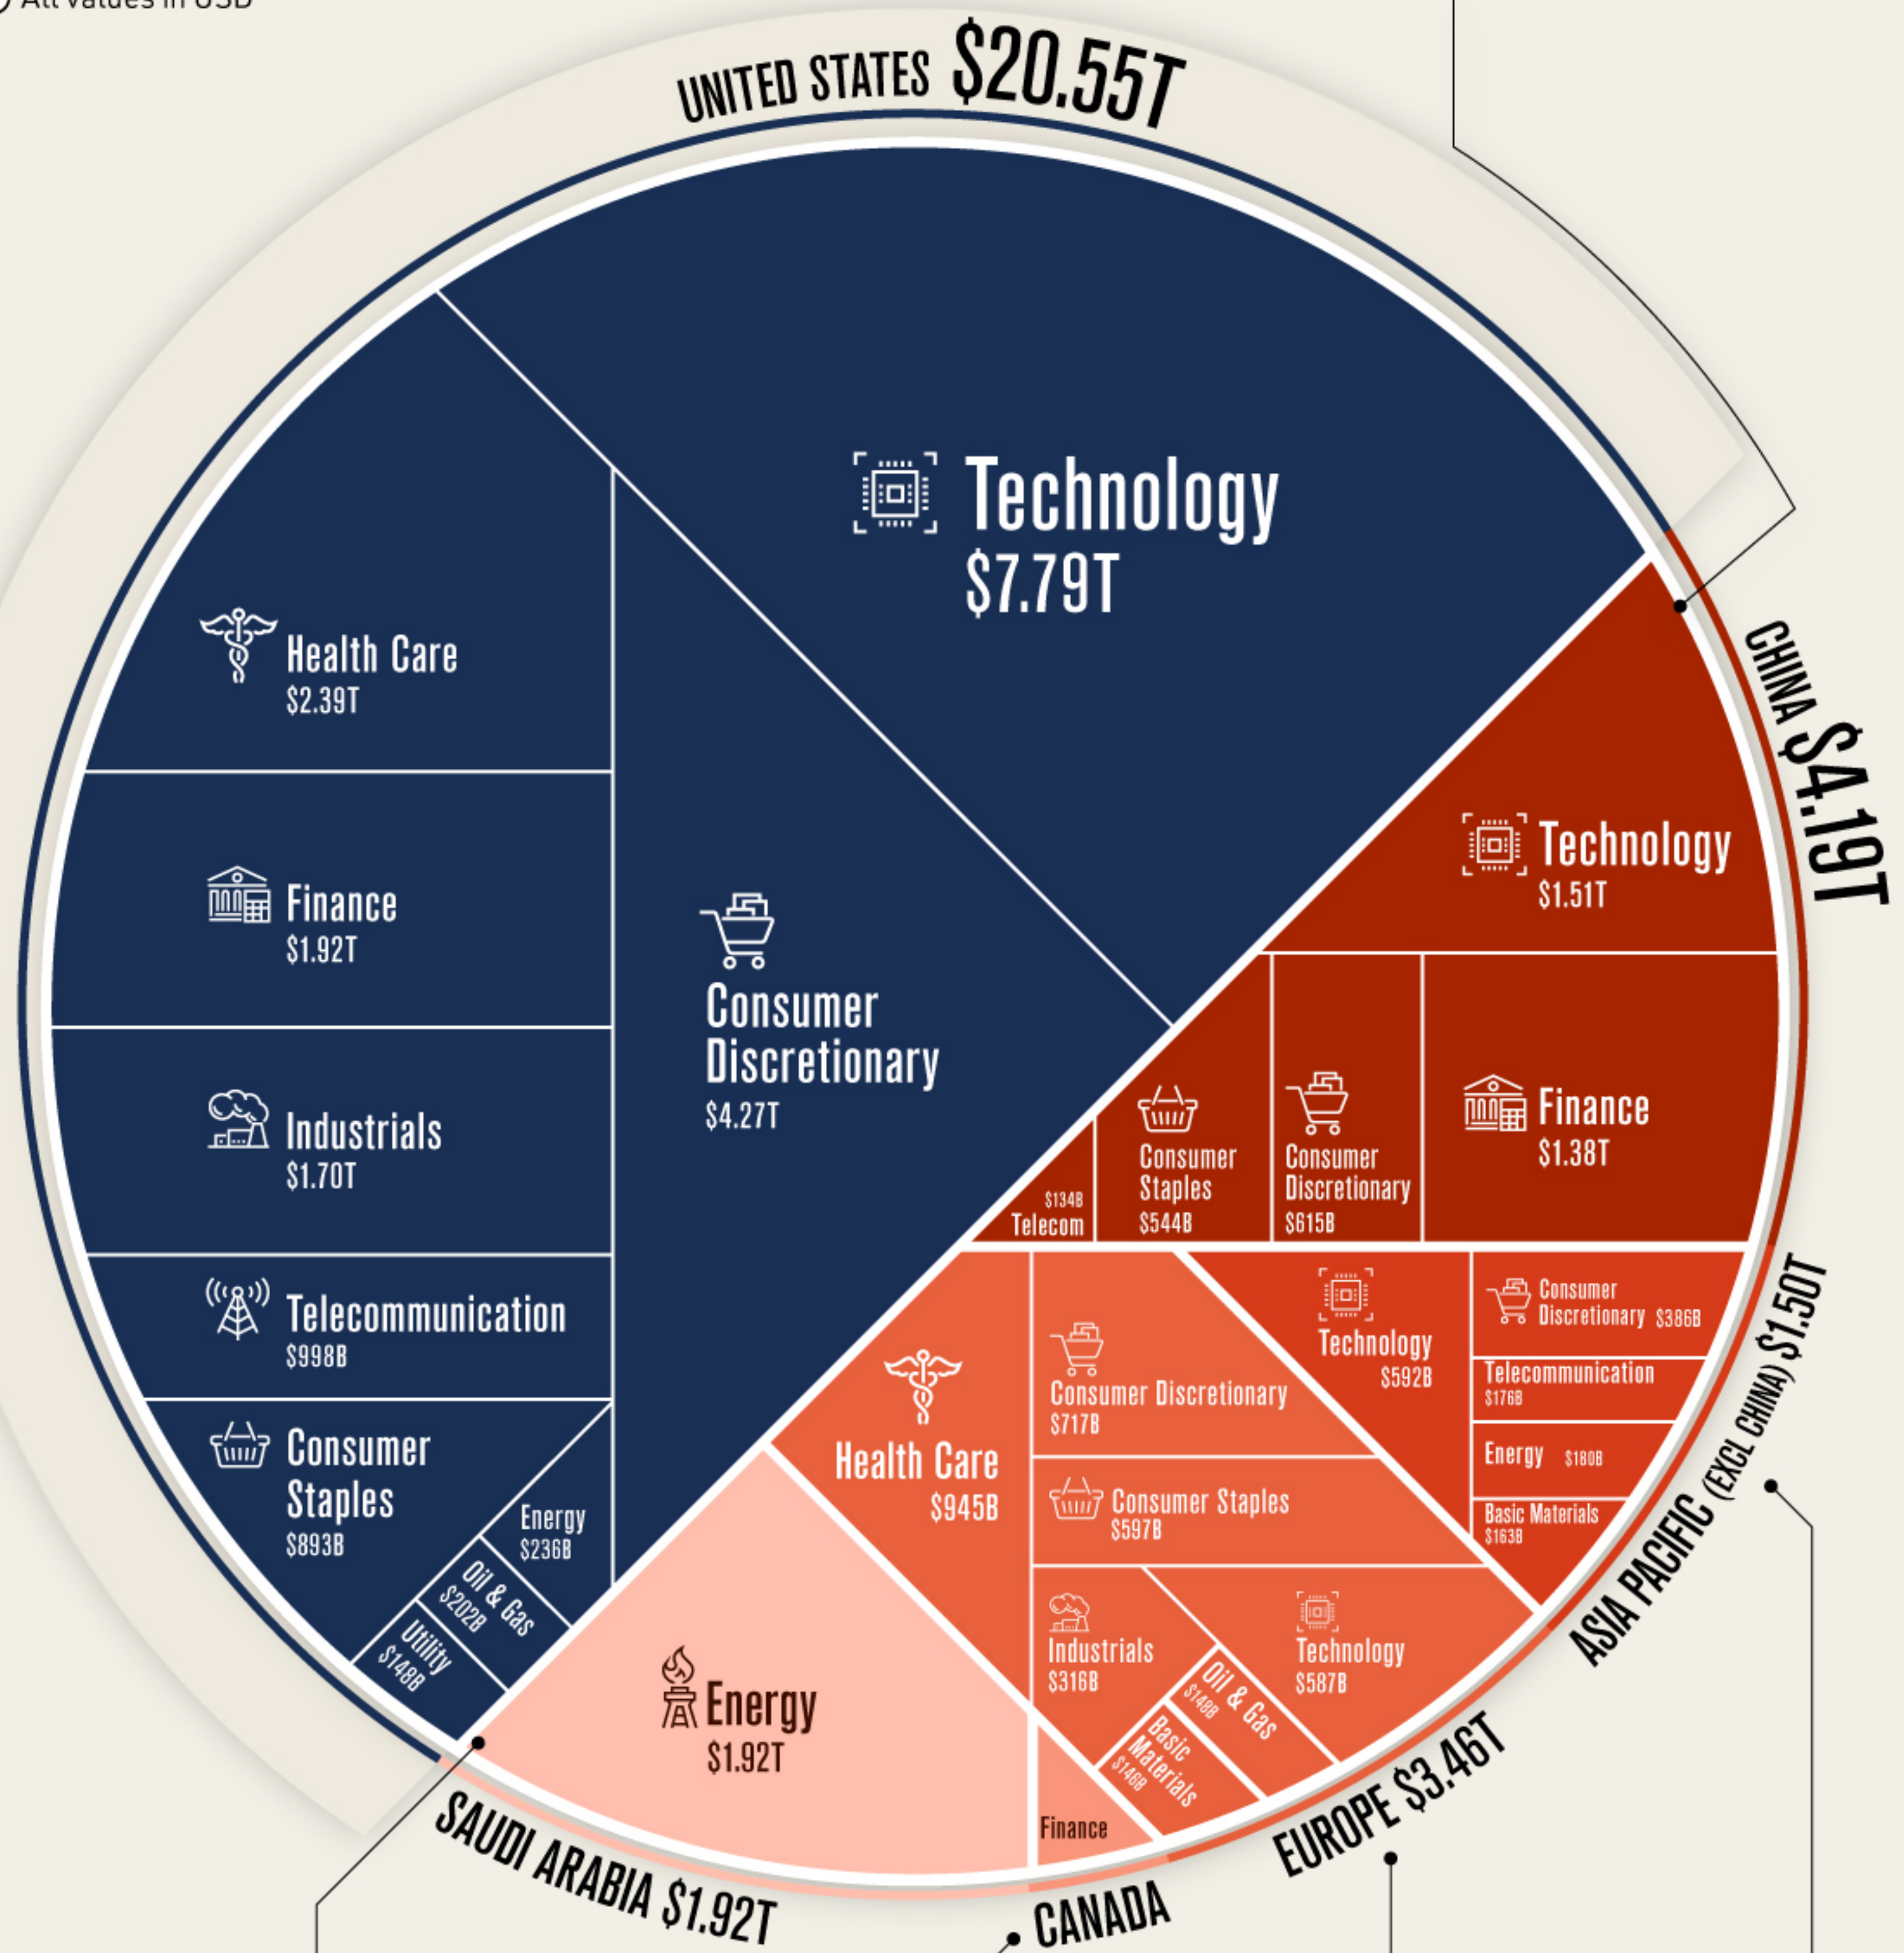

The largest contributing sectors by market cap are **Technology** and **Consumer Discretionary**, together representing **52%** of the top 100 firms.

The U.S. is home to 59 of the 100 top firms, and **65%** of the total market cap value.

Tencent 腾讯
Alibaba.com™
China's Tencent and Alibaba are two of the top 10 global firms by market cap.
