

HOPKINTON CENTER FOR THE ARTS

The **ART** of Conversation

A NEW HCA LECTURE SERIES

Climate Reality

THURSDAY, APRIL 22

**7:00 PM | In Person and
Live-Streamed**

**Demonstrate your love for the environment
this Earth Day by joining the Climate Reality
conversation with Scott Richardson at the HCA!**

Scott Richardson | AIA | LEEP AP

Scott Richardson is an active member of the Climate Reality Leadership Corps. and a participant in the international training program led by Al Gore. Scott is focused on putting his passion about sustainability into practice and delivers an informative and impactful presentation to audiences who are seeking not only scientific data, but specific strategies that can be employed immediately to help our planet.

This is a **FREE** event but registration is required.
Please visit the HCA website for details.

Live-Streamed on Youtube and HCAM TV
Channel 30 on Verizon and 8 on Comcast
