MEET OUR
PARTNER

W.H.E.E.L.

Our goal at W.H.E.E.L. is to help educate & empower women in transition by providing access to expert advice through networking and educational seminars. We have established a "Super-Women" panel of advisors to help set your wheel of change in motion. Whether you are getting divorced, planning to launch a new business, returning to work, saving for retirement, recently widowed, caring for elderly parents, looking for romance or seeking health advice – there is FREE advice for all at W.H.E.E.L.

There are eight core spokes of W.H.E.E.L. to help support & educate you on this journey called life: Legal, Finance, Health, Career, Medical, Grief Management, Romance & Mindfulness. Behind each spoke is an equally talented and well credentialed woman.

To learn more about the W.H.E.E.L. transition team and details of our upcoming events please follow us on Facebook@wheel.women.power or visit www.wheelforwomen.com.

Let's keep the W.H.E.E.L. spinning!
