

It Takes a Village

EXHIBIT SPONSOR

Thank you Golden Pond Wealth Management!

Sponsoring:
Timberframe Bay in
the Mill Zone

EST. 1996

One of the most rewarding things we can do is invest in our children and grandchildren's future. We are proud to commit \$25,000 to the Children's Discovery Museum. Golden Pond will sponsor the Timberframe Bay that will house different mill exhibits as well as a very cool giant clock tower.
