MICHIGAN
FINANCIAL COMPANIES
30,000 Ft. Wealth Management

You are invited to our next introductory webinar:

Retirement Empowerment Workshop

We hope you can join us for a workshop designed to help attendees gain a greater understanding of the possibilities your future holds and how our team can help you get there.

Topics include:

- The use of Roth in a six-figure retirement
- Matching Asset Allocation directly to your retirement plan
- Collaborative approach to your decisions
- How to plan to spend more while young in retirement
- An opportunity to ask questions of a fiduciary

This workshop helps you to visualize the cash flow impact of the various strategies available to you, allowing you to more clearly compare your options.

Tuesday, April 20

6:30 - 7:30 pm EDT
