

# Money Management: Financial Do's and Don'ts During a Crisis

## Create financial habits for the long term

Saving • Budgeting • Investing

Working on healthy financial habits may be the last thing you want to think about during a crisis. But the steps you take right now may be just as impactful as the ones you don't.

If you are able to save and make small adjustments, you can make your eventual recovery easier.

Whether or not your financial situation has changed since the start of 2020, we'll cover important financial strategies you can benefit from now or down the road.
