August 1, 2017

Dear Darley Insurance Agency Family:

It gives me great pleasure to announce and share with you some exciting news about the next chapter of Darley Insurance Agency. We have been serving you and our community since 1963, and as of July 31, 2017, Darley Insurance Agency has joined forces with DeWitt Insurance Agency to become your one source for insurance. The new name of the company will be **DeWitt-Darley Insurance Agency** of Statesboro, and although we represent many of the same companies, you will now have even more options when quoting and renewing your policies. DeWitt Insurance Agency also offers group health insurance and several Senior Care Insurance markets, as well as Medicare Supplements, Long Term Care, Life, and Disability Insurance. DeWitt Insurance Agency is also affiliated with a Financial Planning firm, Vision Financial Group of Georgia (www.Vision-GA.com). Vision Financial is available to assist with financial services and retirement solutions.

By the end of August 2017 we will be relocating to the DeWitt Agency office at 506 Gentilly Road here in Statesboro. Enclosed is our new address, hours of operation, website address, and a street map if you're not familiar with the area or the new location. The DeWitt-Darley Insurance Agency has over fifteen agents in the Rincon and Statesboro locations and many years combined experience. I hope you will visit us, and I will introduce you to Angela Long, Senior Agent and Branch Manager. Marie Brown has also agreed to continue on with us at DeWitt-Darley Agency. Now that we will have a larger staff, I will be able to work fewer hours and spend more time with my children and grandchildren and still be confident that your best interests are a top priority.

DeWitt Insurance Agency has been providing professional service since 1956 and believes that service means everything - from how clients are treated to the caliber of insurance providers used. For over sixty years they have continued to make that belief more than just a philosophy: it is their way of doing business.

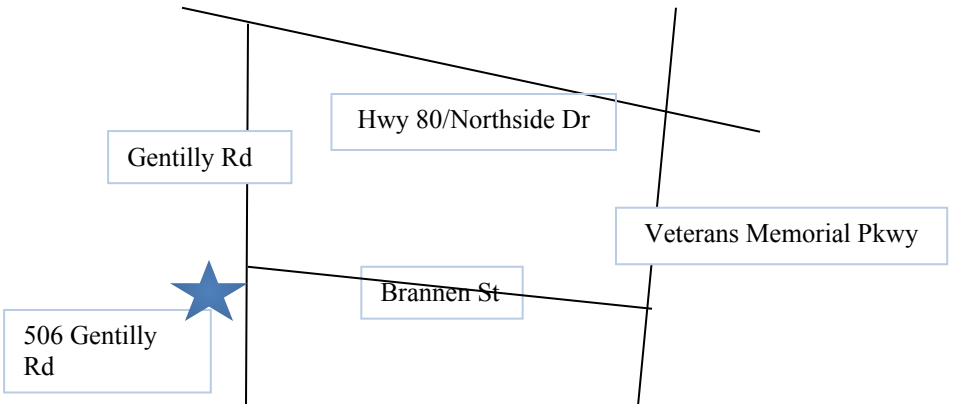

Thank you for allowing **DeWitt-Darley Insurance Agency** to be your partner in protection. We look forward to serving you in our new location.

Sincerely,

F. Bryan Darley Jr.
