With Investor360°, eliminating paper takes just minutes.

The screenshot shows the Investor360° web interface. A 'Paperless Preferences' modal window is open. It contains two sections for account settings. The first section is for 'John E Smith TOD Individuals NFS - (D48123456)' and the second is for 'John E Smith & Jane A Smith TOD Individuals NFS - (B36123456)'. Each section has a 'Deliver to' dropdown menu and an email input field. There are checkboxes for 'Select All', 'Statements', and 'Confirms'. At the bottom of the modal are 'CANCEL' and 'SAVE' buttons. Numbered callouts 1, 2, and 3 highlight the 'Settings' link, the delivery email field, and the 'SAVE' button respectively.

Step 1

Go to the Settings page in Investor360° and scroll to the Paperless Preferences section.

Step 2

For each account, select the account holder and enter an e-mail address for delivery. Check the box to indicate whether you would like to go paperless with statements, confirms, or both.

Step 3

Click **Save**; then read and accept the disclaimer that appears, and you're done.

Please note: You can also begin this process by clicking on the Paperless Preferences link provided on your Statements page.
