Dear Client,

Every year we are required to provide you either: 1) a copy of our current brochure which includes a summary of material changes; or 2) a summary of material changes that includes an offer to provide a copy of our current brochure within 120 days of our fiscal year end. Furthermore, we will provide you with other interim disclosures about material changes as necessary.

If you would like to save a few trees (we're taking forty printed pages in the two documents) and receive all correspondence including our current brochure, any future summary of material changes, annual brochure offer and Privacy Statements electronically, please complete enclosed "E-Delivery Consent Form" and return it to us by mail, fax or scan.

If you would also like to receive our quarterly reports electronically, just let us know when you return your authorization form.

Sincerely,

A handwritten signature in black ink, appearing to read 'R. Frey', written over a large, faint circular watermark or background mark.
