

To access eQuipt, you must first complete a quick one-time enrollment process to set up your user ID and password, as well as to provide some basic identity-verification information (this will be used in case you ever need assistance in logging in).

To enroll, navigate to eQuipt at www.raaequipt.com and click the Sign-Up link (shown below).

You will now be presented with a Yes/No question asking, “Do you have a NetXInvestor login for raaview.com?”. NetXInvestor (www.raaview.com) was our previous site, prior to the release of eQuipt (www.raaequipt.com).

- If you have been using NetXInvestor to access your accounts, select Yes and then click Continue. (Go to page 2).
- If you have not previously accessed your accounts online using NetXInvestor, select No and then click Continue. (Go to page 4).

If you selected **Yes** to indicate that you have previously accessed your accounts on NetXInvestor:

- Provide your NetXInvestor *User ID* and *Password*, then click Continue

Get started by entering your raaview.com login credentials.
