## Your Checklist for Divorce

(303) 261-8015 | [www.denverwealthmanagement.com](http://www.denverwealthmanagement.com)

### Changing Paperwork ✓

.....

*Divorce is a very somber and stressful time for all involved. Don't let your finances suffer - utilize this checklist to help address your financial future.*

- Rewrite your will, if needed.
- Change your beneficiaries, if needed.
- Review your current coverage.

### Accounts & Finances ✓

.....

*Sit down and deeply examine your financial situation. If you need help, bring us your financial checklist and we would be happy to work through this with you.*

- Close joint checking accounts.
- Close joint bank accounts.
- Open bank account in your name.
- Check your credit score.
- Divide your assets.
- Make post-marriage budget with just your income and new expenses.
- Decide if you need to downsize.
