

***WHAT DOES AN EVENING OF FUNK, JAZZ AND SAMBA
INFUSED WITH BLUES SOUL & ROCK HAVE IN COMMON
WITH FINANCIAL PLANNING?***

The answer is ***Inner Well-Being!***

THE INNERWEALTH EXCHANGE

We are delighted to introduce the first in a series of engaging experiences which we are calling *The Innerwealth Exchange*, the brainchild of Glenn McKinney, Advisory Representative of Cambridge Investment Research and Founder of Innerwealth Investments.

The idea behind *The Innerwealth Exchange* is to bring people together for an evening of lively entertainment and informative discussion around topics that have a material impact on ones' financial well-being AND to share what goes into many of the important financial decisions

that one might face during their lifetime; all the while *relaxing and enjoying music performed at the highest level.*

A VERY SPECIAL PERFORMANCE

On this evening we are honored to present, *Ari and The Alibis*, one of the top acts in their native Tampa Bay music scene, as evidenced by their 2015/16 nomination for best local band in Tampa Bay and Ari for best Jazz vocalist. They also received Grammy nods in two categories: Best Rock Song (Dirty Little Secret) and Best Rock Performance (Dirty Little Secret and Bon Appetit).
