Achieving Financial Success

It's important to build a financial strategy that considers your goals, objectives, concerns, and evolves as your life changes.

A comprehensive wealth management approach means ensuring that you and your loved ones are protected. It means listening to what is important to you and effectively positioning your assets to achieve those goals and create streams of income in retirement.

We will customize a strategy that empowers you to make the most of your assets and cash flow.

~ James D. Hegland

Owner & Wealth Management Advisor

We teach people how to make money, save money, and how to never have to worry about money. At Hegland Mainz Financial, we put the client's interest first.

Jim has enjoyed a career in wealth management since 1990. As a financial advisor, Jim has received numerous accolades. He is a Top 25 Registered Representative at Park Avenue Securities. Jim has qualified for the Million Dollar Round Table for 27 years and seven of those years as a member of the prestigious Top of the Table. He is a Chartered Advisor in Philanthropy and has been recognized as a Forbes Top Financial Security Professional and also a Forbes Best-in-State Wealth Advisor. He has been nominated for the 2025 Advisor of the Year with Investment News. He has qualified to be a member of the Pinnacle Council, President's Council, Executive Club, Leader's Club and Peak Council for numerous years. Jim's true joy comes from helping his clients achieve financial stability and growth.

We are a full-service brokerage firm that offers insurance, investments, and tailored financial planning and holds licensure in most states.
