Item 3 – Disciplinary Information

Mr. Dowson is required to disclose all material facts regarding any legal or disciplinary event that would be material to your evaluation of Ameriflex and his qualifications to serve as an investment advisor representative of the firm. Mr. Dowson has no information to disclose under this item.

Item 4 – Other Business Activities

Mr. Dowson is a registered representative of Cambridge Investment Research, Inc. As such, he may recommend the purchase of securities from Cambridge Investment Research, Inc. If you purchase securities from Cambridge Investment Research, Inc., Mr. Dowson will receive commissions on the sale of investment products and in certain instances receive ongoing 12b-1 fees, in addition to the receipt of advisory fees for advisory services such as financial planning services.

Mr. Dowson is also individually licensed as an insurance agent and receives commissions on the sale of insurance products and in certain instances, payments for the renewal of certain insurance products, in addition to advisory fees for advisory services, such as financial planning services. These payments vary by insurance product and company and may provide different incentives depending on the amount of the renewal payment.

In some instances, the total remuneration that may be received by Mr. Dowson related to sales of insurance products or securities may be greater than the compensation Mr. Dowson may receive for providing investment advisory services related to such products. As such, Mr. Dowson's capacities as a registered representative and insurance agent may create a financial incentive to promote the sale of certain insurance products or securities to clients, rather than solely providing investment advice related to such insurance products or securities. While the firm and your financial advisor intend to provide recommendations of products and services they believe are suitable for you, you should carefully evaluate each product or service recommendation based on your own financial situation and investment objectives.

Item 5 – Additional Compensation

As discussed above, Mr. Dowson is a registered representative and an insurance agent. In addition to the receipt of advisory fees, traditional commissions and ongoing 12b-1 fees, Cambridge Investment Research, Inc. may pay bonuses based on a registered representative's overall product and/or service sales, including with respect to advisory business, conduct sales incentive contests or provide marketing payments to its financial advisors to the extent permitted under applicable law. As a result, these arrangements may create a conflict of interest. While Cambridge Investment Research, Inc. and your financial advisor intend to provide recommendations of products and services they believe are suitable for you, you should carefully evaluate each product or service recommendation based on your own financial situation and investment objectives.

Because the receipt of commissions or fees by Mr. Dowson presents a conflict of interest, clients are informed that they are under no obligation to use Mr. Dowson (or any individual associated with Ameriflex) for insurance products or services, or any other business activities. Clients may use any insurance or brokerage firm or agent, or broker-dealer they choose.

Item 6 – Supervision

Mr. Dowson is supervised by Diana Y. Heu, Ameriflex's Chief Compliance Officer. Ms. Heu may be contacted by phone at (702) 987-9730 or by e-mail to Diana@theameriflexgroup.com. Ms. Heu, and other individuals as she may designate, regularly review the accounts receiving investment advisory services to monitor for suitability of recommendations and compliance with Ameriflex's internal procedures, code of ethics, and applicable regulatory requirements.
