Retirement Strategies

Don't miss this important and educational presentation!

Gain a wealth of information on two topics that are crucial for all retirees to understand. In addition to learning strategies that can help maximize your Social Security benefits, you'll also learn how to manage your health care costs in retirement - gaining insight into Medicare, the Affordable Care Act, and long-term care expenses.

Workshop topics include:

- Maximizing Social Security income for you and your spouse
- Understanding the impact and potential costs of starting Social Security benefits before your full retirement age
- Strategies to help reduce taxation of Social Security benefits
- Estimating your future healthcare costs in retirement
- Understanding Medicare Parts A, B, C and D, what they cover, and what they cost

Prudential is providing this workshop for informational or educational purposes only and does not provide investment advice or recommendations about managing or investing your retirement savings. Issued by Pruco Life Insurance Company.
