

# GET YOUR PAWS ON REAL PET CARE SAVINGS

**Total Pet Plan** from **Pet Benefit Solutions** includes everything your pet needs, at discounted prices that make it easy on your budget

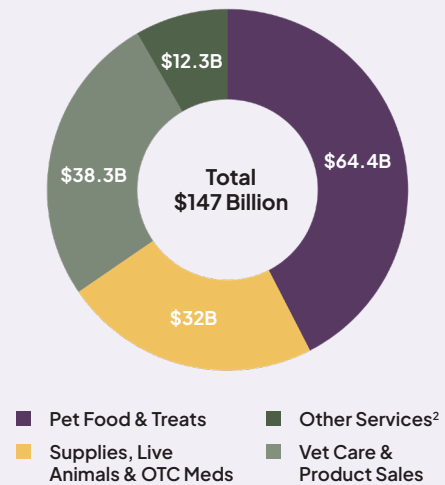

## Rising costs make it harder for pet owners to afford quality pet care

Veterinary bills are a major pet care expense:

- **\$800 - \$1500** average emergency vet bill
- **\$2000** spent per year (annual routine care, not including emergencies)
- **60% - 70%** average annual increase in vet care costs<sup>1</sup>

However, pet care includes far more than just veterinary bills \$32B and emergency room visits. According to the American Pet Products Association (APPA), pet parents in the U.S. spent \$147 billion on pet care in 2023 (up 32% from just 3 years ago) - with \$250 billion projected by 2030.
