

1 Information

A. If wiring money into one account/one fund:

Contact the financial institution to initiate a wire request, following the instructions in Section 2.

B. If wiring money into multiple accounts/multiple funds:

Prior to sending a wire, provide us with investment instructions using either of the following methods:

- Fax instructions toll-free to **(800) 322-5240** and include the account registration, account number(s) and fund allocations.

OR

- Advisors can call us toll-free at **(800) 421-0180**.
- Investors can call us toll-free at **(800) 421-4225**.

After American Funds has received the investment instructions, send the wire as instructed in Section 2.
