Ellenbecker Investment Group Opens a Third Office in Bonita Springs, Florida

BONITA SPRINGS, FL (January 19, 2017) – Ellenbecker Investment Group (EIG) is proud to announce the opening of a new office in Bonita Springs, Florida. This is the third office location for this award winning financial advisory firm. EIG has leased suite 210A in the office complex located at 27499 Riverview Center Boulevard.

With headquarters in Wisconsin, Ellenbecker Investment Group (EIG) has been providing financial planning, estate planning, and investment services for more than 20 years. As a registered investment advisor, the firm manages assets for clients, including individuals, families, and corporations.

“Our new location will allow us to provide a higher level of service to our Florida clients,” said Karen Ellenbecker, Founder and Senior Wealth Advisor. “We plan to offer the same experience clients have come to expect – a comfortable meeting environment where they can feel relaxed and confident about their investments.”

The new Bonita Springs office is located in the Riverview Corporate Center which is adjacent to tranquil Riverview Center Boulevard. The office complex itself is set in a beautifully landscaped garden which helps to create the type of environment all EIG offices are known for.

“With our growing client base starting to both live and vacation in Florida, this was a natural progression for us,” stated Julie Ellenbecker-Lipsky, President and Wealth Advisor. “We are excited to share our whole-person approach to investing in the Bonita Springs community.”

One of primary reasons EIG chose this office location is its convenient access to both the Naples International and Southwest Florida International Airports. New and visiting clients will be able to find the Bonita Springs office quickly and easily.
