

Blackstone Webinar 2021!

Real Estate Investing at an Inflation Inflection Point

Blackstone Real Estate Income Trust, Inc. (“BREIT”) is a perpetual-life, institutional quality real estate investment platform that brings private real estate to income-focused investors. BREIT invests primarily in stabilized, income-generating U.S. commercial real estate across key property types including, multifamily, industrial, hotel, retail and office. You are welcome to be a part of the webinar.
