

As many people send loved ones back to school, the election looms, and markets continue to show volatility, we thought these articles might be valuable. These contain helpful information about ways emotional bias can adversely affect your decisions (don't let this be YOU during the election!), considerations about when to retire (if at all), how Boomers and Millennials differ (always good to understand how the younger generations think) and a guide for better understanding what 529 distributions will cover.

As always, don't hesitate to reach out to us with questions!

Have a great day!

Don't Be Your Own Worst Enemy

Emotional biases can adversely impact financial decision making. Here's a few to be mindful of.

Should You Ever Retire?

A growing number of Americans are pushing back the age at which they plan to retire. Or deciding not to retire at all.

[Learn More](#)

How Boomers and Millennials Differ

The YOLO Economy is a focus on experiences over material possessions, prompting Boomers to consider a similar mindset.

Forbes Best in State Wealth Advisors list includes 10 recipients per state. The Forbes awards are based on qualitative and quantitative data, rating thousands of wealth advisors with a minimum of seven years of experience and weighing factors like revenue trends, assets under management, compliance records, industry experience and best practices. The award is not based on portfolio performance or client reviews. There is no fee in exchange for rankings. Third-party rankings and recognitions are no guarantee of future investment success and do not ensure that a client or prospective client will experience a higher level of performance or results. Neither Forbes nor SHOOK receive a fee in exchange for rankings.

The Forbes ranking of America's Top Women Wealth Advisors, is based on an algorithm of qualitative and quantitative data, rating thousands of wealth advisors with a minimum of seven years of experience and weighing factors like revenue trends, assets under management, compliance records, industry experience and best practices learned through telephone and in-person interviews. There is no fee in exchange for rankings. Third-party rankings and recognitions are no guarantee of future investment success and do not ensure that a client or prospective client will experience a higher level of performance or results. These ratings should not be construed as an endorsement of the advisor by any client nor are they representative of any one client's evaluation.
