The information is shown for illustrative purposes only and is not intended as an offer or solicitation with respect to the purchase or sale of any security. We believe the information provided here is reliable, but it should not be assumed to be accurate or complete.

Securities, when presented, are offered and/or distributed by Empower Financial Services, Inc., Member FINRA/SIPC.

Although data is gathered from reliable sources, including but not limited to Morningstar, Inc., the completeness or accuracy of the data shown cannot be guaranteed. Where data is obtained from Morningstar, the data: (1) is proprietary to Morningstar and/or its content providers; (2) may not be copied or distributed and (3) is not warranted to be accurate, complete or timely. Neither Morningstar nor its content providers are responsible for any damages or losses arising from any use of this information. ©2024 Morningstar, Inc. All Past performance is no guarantee of future results.

The historical performance quoted may contain extended performance which will be displayed in italic font. Extended performance is an estimate based on the performance of the investment's oldest share class, adjusted for fees.

Current performance may be lower or higher than performance data shown. Performance data quoted represents past performance and is not a guarantee or prediction of future results. For performance data current to the most recent month end, please reach out to your Empower representative. The investment return and principal value of an investment will fluctuate so that, when redeemed, shares/units may be worth more or less than their original cost.

Carefully consider the investment option's objectives, risks, fees and expenses. Contact us for a prospectus, summary prospectus or disclosure document containing this information. Read each carefully before investing.
