What you need to know about Medicare

FIRST STEP: You have to apply for Medicare through the Social Security Administration. All Medicare plans begin the 1st of the month regardless of your date of birth or termination from your health plan. Be sure to plan ahead as it takes at least 10 business days to complete your application for Medicare.

After your enrollment in Part A & B:

If you are looking to leave your group coverage or individual plan after enrolling in Part A & B (Part B is your IMPORTANT DATE) then a Medicare program is available to you the date of your Part B effective date or after.

What's next after I get my Part B:
