

Wright Donates to Local Charities

December 16, 2020

2020 has been tough on many families. Unemployment is high. Many must decide between food and utilities. And toys for children are likely to be lower on the list of priorities.

We have been fortunate and it's our duty to look out for our neighbors who may be less fortunate. This year we will wish our clients the best of the holiday spirit with an ecard. We will invest instead in ways to help society and partake in a social endeavor worthy of our firm.

We have decided to make donations to:

1. Connecticut Food Bank – Bridgeport
2. Toys for Tots – Connecticut

I would urge you to consider donating time/money to a cause of your choosing. We will consider matching gifts for causes that meet our objectives.

Sincerely,

Amit S. Khandwala
Chief Executive Officer
