## From the Tax Cuts and Jobs Act\*

TOPIC	NEW LAW	OLD LAW	COMMENTS
<b>Tax deductions you counted on in the past may have been eliminated or changed</b>			
<b>Income tax brackets</b>	7 brackets: 10–37%	7 brackets: 10–39.6%	Changes to paycheck withholding may need to be made
<b>Standard deduction</b>	\$12,000 (single) / \$24,000 (married filing jointly)	\$6,350 (single) / \$12,700 (married filing jointly)	Personal exemption is eliminated
<b>Alternative Minimum Tax</b>	\$70,300 (single) / \$109,400 (married filing jointly)	\$54,300 (single) / \$84,500 (married filing jointly)	Since most households will take the standard deduction, they will be less likely to pay the AMT
<b>Medical expenses</b>	Can deduct expenses that exceed 7.5% of AGI in 2018	Could deduct expenses that exceeded 10% of AGI	In 2019 the floor increases back to 10% of AGI
<b>Miscellaneous itemized deductions</b>	Eliminated	Could deduct moving expenses, investment fees, tax prep fees, casualty loss, etc.	Deductions were only permitted if they were at least 2% of AGI
<b>Inflation measurement</b>	Cost of living calculated by the Chained Consumer Price Index	Cost of living calculated by the Consumer Price Index	Chained CPI rises more slowly, meaning credits and deductions will be less valuable over time
<b>Charitable giving</b>	Cash contributions can be deducted up to 60% of AGI	Could only be deducted up to 50% of AGI	Charitable contributions are expected to decrease as a result of fewer people itemizing deductions
<b>Where you live makes a big difference in how you are affected by the new rules on deducting state and local taxes (SALT)</b>			
<b>SALT deduction</b>	Deduction is limited to \$10,000 for all state, local, property, and sales taxes. No inflation adjustment.	Unlimited ability to deduct SALT	High-tax states will feel the pinch. Some state governments are pursuing alternatives.
<b>Mortgage interest</b>	Can deduct interest on mortgage debt up to \$750,000; home equity loan interest is not deductible unless used in connection with home acquisition or improvement	Could deduct interest on mortgage debt up to \$1 million; could deduct the interest on up to \$100,000 of home equity loans	Increased homeownership costs need to be considered when buying a home

TOPIC	NEW LAW	OLD LAW	COMMENTS
<b>Family-related tax rule changes regarding children, education, high-earning couples, divorce, retirement, and estate planning may need your attention</b>			
<b>Child tax credit</b>	Receive a credit of \$2,000 per child, \$1,400 is refundable; phases out at \$200,000 (single) / \$400,000 (married filing jointly)	Received a credit of \$1,000, only partially refundable; phased out at \$75,000 (single) / \$110,000 (married filing jointly)	This applies to children 17 or younger at the end of the year, \$500 credit for other dependents
<b>Kiddie tax</b>	Earnings on a child's investment income over \$2,100 will be taxed at the same rates as trusts and estates	Earnings on a child's investment income over \$2,100 was taxed at the parents' rate	The tax applies to investment income of children under age 19, or 24 if full-time students
<b>529 plans</b>	Can distribute \$10,000 per year for private K-12 education	Distributions only allowed for post-secondary education	You can also roll over a 529 plan to a 529 ABL account
<b>Alimony</b>	Alimony is no longer deductible for the payer nor is it considered income for the payee	Alimony was tax deductible for the payer and taxed as income for the payee	This applies to agreements executed after 2018
<b>Roth IRAs</b>	Not allowed to recharacterize a Roth IRA conversion	Could reverse a Roth conversion by tax due date	Will need to plan conversions more carefully
<b>Retirement plans</b>	Participants in a 401(k) or 403(b) plan have until the tax due date to repay or roll over a plan loan upon leaving the firm	Participants in a 401(k) or 403(b) plan had 60 days to repay or roll over a plan loan upon leaving the firm	If the loan is not rolled over or repaid it can go into default, triggering penalties and taxes
<b>Estate tax exemptions</b>	Top rate of 40% on estates over \$11.2M for individuals and \$22.4M for married couples (with portability)	Top rate of 40% on estates over \$5.6M for individuals and \$11.2M for married couples (with portability)	Only 8 in 1,000 estates are expected to owe federal estate taxes in 2018
<b>Businesses face new opportunities regarding how they pay taxes and what deductions and depreciation they can claim</b>			
<b>Corporate tax rate</b>	Top rate of 21%	Top rate of 39%	Corporate AMT is eliminated
<b>Pass-through income</b>	Small business owners receive a 20% deduction for pass-through business income	Small business owners paid income taxes based on the rate for individuals, up to 39.6%	The deduction phases out at \$157,500 (single) / \$315,000 (married filing jointly)
<b>Expensing business assets</b>	Can expense \$1 million on business assets	Could only expense \$500,000 of business assets	Changes to bonus depreciation and section 179 also give businesses more options for expensing property and equipment
