## Here's To Your Wealth!

### Monthly Market Commentary

November's headlines have focused on the the Federal Reserve and interest rates.

Despite the Fed's stated intentions to raise U.S. interest rates, foreign central banks and overseas investors are keeping the longer end of our yield curve in check.

Mark's commentary this month in Forbes addresses these issues and offers an overall market perspective. [Click Here To Read](#) "Why Long-Term Interest Rates May Not Rise In 2018 ."

We appreciate the opportunity to update you. Please let us know how we can better help you - and someone you know - reach your financial goals.

Have a great weekend!
