

**Accidents happen - even to
the most careful drivers.**

Knowing what to do after an
accident will help you to remain
calm and in control. It can also help
you get back on the road faster.
Take a moment to review this guide
and keep it in your glove
compartment in the even of an
accident.

Accident Guide

Helpful Tips for Accidents

- Get help for the injured.
- Call the police.
- Remain at the scene of the accident.
- Try to remain calm.
- Do not admit fault.
- Exchange names, addresses, emails, phone numbers, makes of vehicles, drivers and vehicle license numbers, and insurance company/policy number information with all drivers.
- Get names, addresses, emails, and phone numbers of all passengers and witnesses.
- Examine and record damage to other vehicles and property.
- If you are carrying a camera or phone, take pictures at the scene of the damage.
- Do not discuss the accident or sign any documents. Only answer questions asked by police.
