This month, we're diving into the topic of disability insurance. While most people are familiar with home, auto, and life insurance, disability insurance is another crucial type of coverage that often gets overlooked. It provides income protection if you become disabled, with common causes including cancer, back pain, and mental health issues. Even if you have some coverage through your employer, it's important to understand the specifics, as benefits can vary. If you'd like to learn more about disability insurance and how it can benefit your situation, feel free to reach out.

Additionally, I'm excited to highlight an upcoming educational event on Wed Jul 17th at 6pm. Jeni Snider, Esq. of Snider Law, PLLC, and I are hosting an estate planning event "Dirty Dozen Estate Planning Mistakes." This promises to be both informative and enjoyable. Event details are below, and space is limited, so please RSVP via this [link](#) or let me know if you plan to attend. Hope to see you there!

Have a wonderful 4th of July!
