We are pleased to announce that Mutual Fund Management Co. continues to be recognized as one of the **Top Registered Investment Advisors (RIA)** and **Top Wealth Managers** in the United States.

1. Mutual Fund Management Co. is ranked in **AdvisorOne's 2012 list of Top Wealth Managers** in the United States. We have been acknowledged by AdvisorOne (and its predecessor publications) eleven out of the twelve years that they have been doing this ranking. The rankings were based on the average account size and growth of assets under management during the previous year.
2. We were placed among the **2012 Top RIA firms** listed in *Financial Advisor* magazine in the \$100 to \$300 million category. *Financial Advisor* magazine compiled the rankings divided into six asset categories based on assets under management in 2011. To qualify, firms are required to be a registered advisor with the SEC, offer financial planning services, have predominantly individual clients, and be independent advisors.
3. *Accounting Today* magazine has also listed us again as a **Wealth Magnet** in their 6<sup>th</sup> Annual Ranking of CPAs by Assets Under Management, which ranks investment advisory firms that have a CPA affiliation.
4. *Hour Detroit* and *DBusiness* listed Frank S. Arvai as one of **Metro Detroit's Five Star Wealth Managers<sup>SM</sup>** for 2012. This award was limited to less than seven percent of all professionals in the Metro Detroit area. The list was compiled by Crescendo Business Services, an independent research firm that sent surveys to subscribers of both magazines and to Detroit area financial professionals based on quality of recommendations and overall satisfaction amongst other criteria. The articles were featured in the June 2012 issue of *Hour Detroit* and the July/August 2012 issue of *DBusiness*.

We feel very grateful to have received these recognitions and want to thank our clients and our team who helped make these achievements possible.

Very truly yours,

MUTUAL FUND MANAGEMENT CO.
