

# Sustainable Living

A sustainable lifestyle means reducing your impact on natural resources and your own personal resources. Join us monthly as we learn more about the buzzwords, the general philosophy plus realistic ways to reduce your impact while enjoying a full and robust life. EIG Wealth Advisor, Heather Deaton, CFP®, CSRIC™, will host this group along with speakers to discuss various topics of sustainability.

**Meetings take place 4:00-5:30pm  
the first Wednesday of every month,
