*Securing the Future:
Strategic Defense Against
Fraud & Cyber Threats*

Please join us for a virtual client event hosted by The Resource Group, the organization of the top planners in Osaic Wealth, of which your financial advisor is a member.

In today's digital world, protecting your personal information has never been more important. Join us for an insightful virtual event on Cybersecurity and Fraud Prevention, designed to help you navigate online risks with confidence.

Whether you're shopping, banking, or simply browsing online, cyber threats and scams are becoming more sophisticated. Our panel of experts will break down key risks in everyday language and share practical steps you can take to safeguard your digital life

The invitations with registration instructions for this virtual event on Zoom will be sent soon! Until then, mark your calendar for Thursday, May 29 at 2:00 p.m. ET / 11:00 a.m. PT.
